

Capture House Weddings is a team of wedding photographers & videographers based in Great Dunmow, Essex.

We understand that very rarely do people enjoy being on camera. Our aim is to ensure you have the best day possible and spend more time with your guests while we discretely capture all those beautiful natural moments.

Our team are very fortunate to receive hundreds of wedding enquiries each year and can only take on a limited amount. Call our sales team today to check our availability.

Wedding Album Available

We work with only the finest suppliers when it comes to producing a photo album for our clients. If you would like to discuss photo album options or would like to find out more information about pricing, please contact us by emailing sam@capturehouse.co.uk and Sam will be able to answer any question you have.
